The *ROLLAMO* is the official yearbook of the University of Missouri—Rolla, and is published by the students of the Rolla campus. The *ROLLAMO* documents a year in the life of the University and its people. The emphasis in this book is on students, their different life styles, the events and services that effect them, the administration that surrounds them, and the organizations that round out the growth of a student. It is hoped that the '78 *ROLLAMO* has reflections for everyone.

Michael Bell

*"Who does not love wine, women
and song.
Remains a fool his whole life long."*

J.H. Voss

Jeffrey Buck

*"I wouldn't trade the small college
life style for the world. It offered
me the opportunity to do much more
than I would have at a larger school.
You never get lost in the crowd, lost
in the shuffle, or lost on campus.
The opportunities are endless and
so is the fun."*

Brenda Ellerbrake

*"Ask, and it shall be given you;
seek, and ye shall find; knock,
and it shall be opened unto you."*

Matthew 7:7

Arthur Giesler

*"Man strives for glory, honor, fame,
That all the world may know his name.
Amasses wealth by brain and hand;
Becomes a power in the land,
But when he nears the end of life
And looks back over the years of strife,
He finds that happiness depends
On none of these but love of friends."*

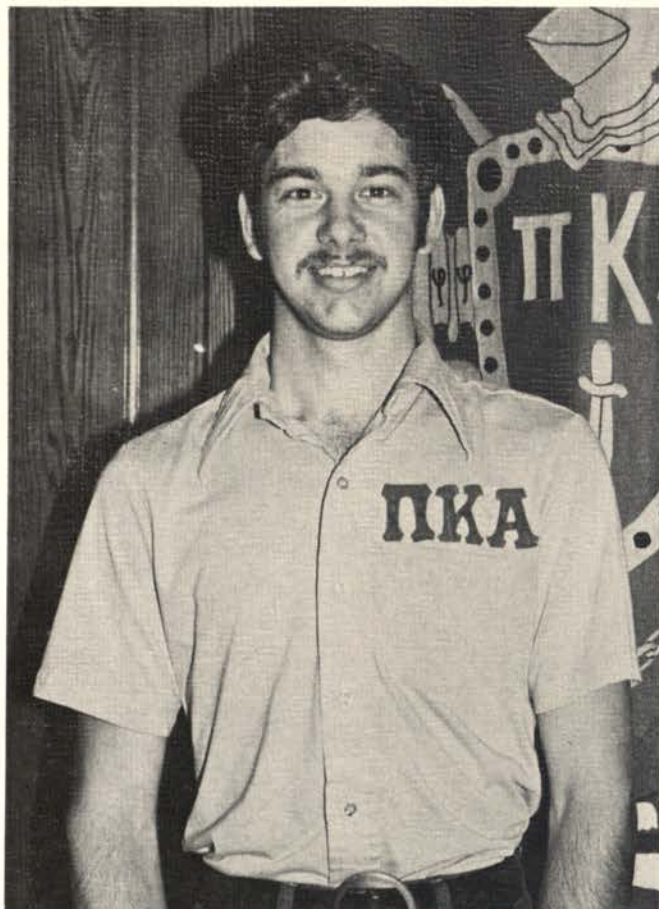

James Grelle

"Four Things Rolla has Given Me,

- 1) A lot of good times
- 2) A lot of good friends
- 3) A good education and
- 4) Permanent Brain Damage"

Dennis Kinchen

Gary Maxwell

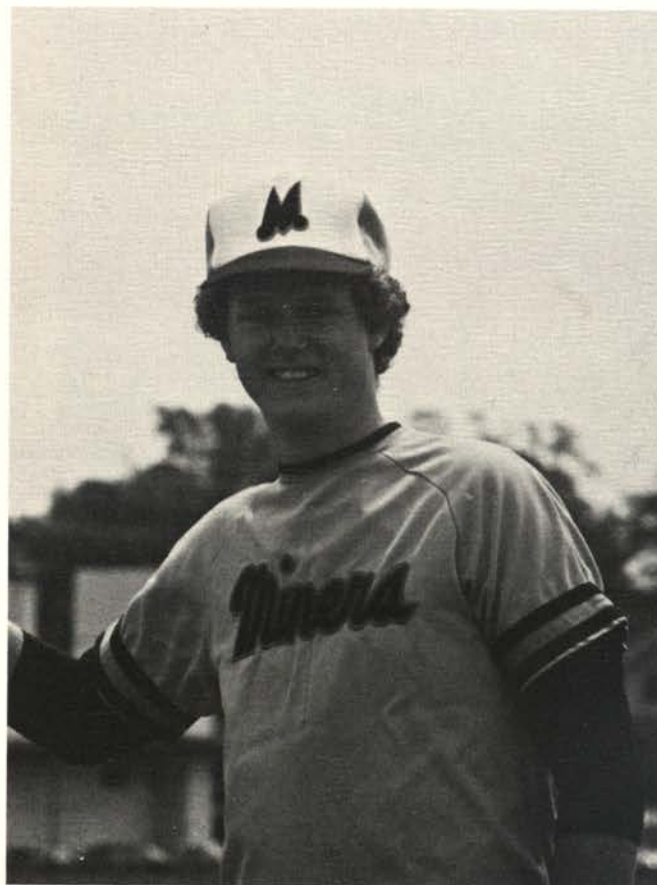

"The road to success is always under construction, and it can only be traveled by a person who has many dreams, a desire for wisdom, and the qualities of a leader."

Michael Simac

"In dealing with people, issues, and decisions you must judge each on its own merits against your own standard of values. You must judge each objectively against that constant standard, in order to formulate your opinion."

Therefore, know yourself and what you elieve in. Then don't ever subdue your opinion. Stand firm for your beliefs, ideals, and judgement to what is fair, right, and just.

Although your not the most well liked person, there is great satisfaction to know you are respected for treating everyone as an equal."

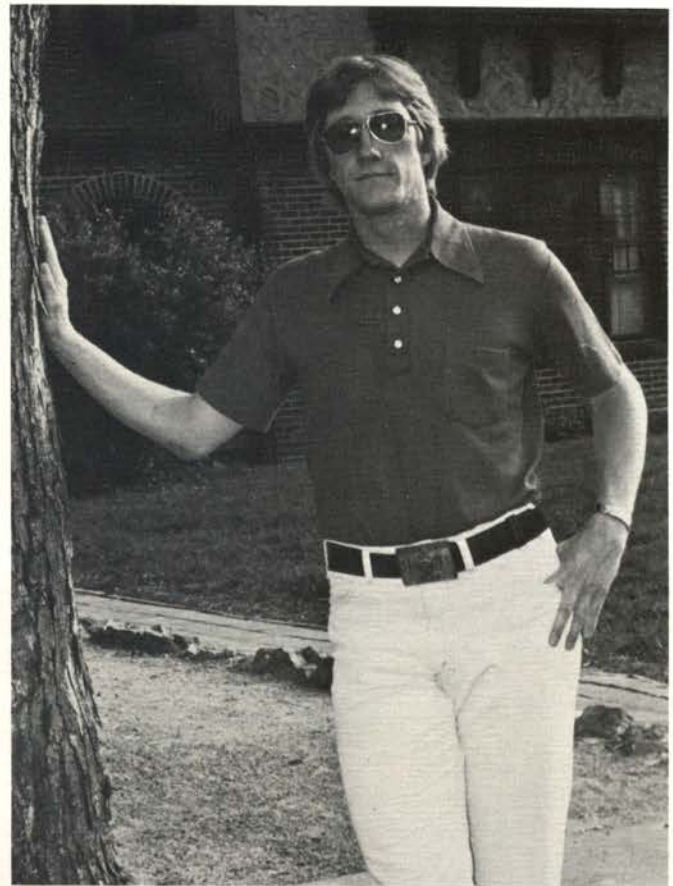

Rita Webber

Robert Welch

"My college experience cannot be measured in dollars and cents. It has given me the ability to communicate and to get along with people, as well the ability to make decisions. Most importantly, I have learned to set my priorities and to live by them."

EDITOR'S NOTE

As I sit here wondering how to bring the 1978 ROLLAMO to a close, many thoughts pass through my mind. There are thoughts of the thousands of man-hours which were given in the creation of this book, and hopefully of the many moments of enjoyment received as a result of its creation. The goal of the 1978 ROLLAMO staff was to create a yearbook for the students of UMR, a medium by which memories may be stored and called upon sometime in the future. We have attempted to summarize the many events which surround the students here at UMR throughout the academic year, and hope that everyone may see a part of themselves somewhere within the 368 pages of this book.

This book would have never been completed without the hard, diligent work of the 1978 ROLLAMO Staff. My many thanks and best wishes to the staff for their support. I know they must share the same pride as I do in this publication.

I must give special thanks to Dr. Lance Williams our adviser, without his help and encouragement our staff could not have functioned.

Herff Jones Yearbooks and Gayle Cordes have been great, good luck Gayle, it's been a pleasure.

Steven's Studios with your senior's photography, you've done a great job, hope to see you next year.

I would like to thank Tom Beard and his photography staff for their support. Best wishes for the next year Tom. Matt, Daryl, and Steve, hang in there.

A special note and thanks to Glenn Johnney for his four years of devotion to the ROLLAMO Yearbook.

Kathy, Kay, and Karen, thanks for being the first ones done with your sections. Good luck next year.

Bob, the best friend a guy could ever have, hope you've made notes of my mistakes this year, I'm sure the '79 ROLLAMO will be even better. Good Luck Arasmiths', keep in touch.

One final note of thanks must go to my wife Kelly, for standing by my side throughout the many late hours of work. I couldn't have made it without your help.

And to UMR, it's been a proud four years and a terrific honor to serve on the ROLLAMO Staff.

Thanks again,

Russell S. Brazeal
